Four Easy Ways to Refill Your Prescription

- 1. Access Peninsula Regional Medical Center's website through the internet (on Peninsula.org under "Careers"):**
 - Click on Register and complete the information provided (password: homescripts)
 - Once registered, sign in with the user name and password created
 - You can either select "My Prescriptions" or enter the refill number to request a refill
 - The confirmation will be shown and the pharmacy will receive the request shortly after.

(over)

2. Go directly to RefillRx.com

- On the top right corner, select Register (or log in, if you have previously created an account).
- Enter the pharmacy zip code (21801) and last four digits of the phone number (4798)
- Select PRMC Home Scripts and select Register
- Once registered, enter the username and password created
- You can also select to enter the rx # or “My Prescriptions” under the pharmacy telephone number located to the right of the screen.
- The confirmation will be shown and the pharmacy will receive the request shortly after.

3. Access RefillRX App (for both Android and iPhone users)

- Download the app to your phone
- Enter the rx# or scan the barcode on your medication, and hit “done” to submit.
- If accepted, the app will show a green check box and will confirm that the pharmacy has received the request.

4. Call PRMC Home Scripts

- Call 410-543-4798
- Press #1
- Enter the rx #
- Follow the directions shortly after.
